Event Feed Test Plan

CLICS

General Tests

Test EF 1 – test startup

Does initial connection show all events for contest configuration?

Test EF 2 – test keep alive

If there is no activity for 120 seconds is a new line output ?

Steam Tests

For each event type:

1. Add an event type – does it appear in the feed?
2. Update an event type – does it appear in the feed?
3. Delete an event type – does it appear in the feed?
